## FEQHA EUROPEAN CHAMPIONSHIP RULES AND REGULATIONS.

### 1. Governing Regulation

The European Championships (EC) shall be governed by the rules and regulations of the AQHA Official Handbook and the FEQHA European Championship Show Rules. In the case of conflict between AQHA and FEQHA rules, the latter will prevail. All participants and horse owners agree to abide by such rules and regulations.

### 2. Eligibility

To participate in the European Championships the owner of the horse has to be resident in a European State. For the purpose of these regulations, Europe is intended in its enlarged geographical meaning. FEQHA will allow exhibitors and owners from Israel to compete in the EC as well. The exhibitor and the horse owner must be members of an FEQHA (z.B. DQHA, AIQH ...) member association. If the country of residency does not offer such an association, the exhibitor and the horse owner have to become members of another affiliated association of their choice. Each participant will be personally responsible for the residency statements provided to the EC organization on entry forms. A copy of the membership card to an FEQHA affiliate has to be attached to the entry form.

### 3. On-Site Check-In Information

Exhibitors are obligated to hand in a copy of the horse's certificate of registration to the EC show secretary. International exhibitors are obligated to hand in a EU "Traces"-form filled in by the responsible official veterinarian office in English and the language of the respective country. The "Traces"-form are valid for 10 days and can be extended upon request, with an application to the responsible veterinarian office (according to prior agreement with the show office). All horses will be identified by their equinepassports and have their vaccination status checked upon arrival. The equine passports will be deposited at the show office in exchange for the entry numbers and will be returned upon departure. Each horse has to be identifiable at all times on the show grounds. In the case that a horse does not match the deposited equinepassport, it will be suspended for all entered classesfees will be forfeited. Incomplete documents, suspicious health conditions and/or non-identifiable horses will lead to the respective horse's relocation in quarantine stables. The responsible exhibitor will be charged all expenses derived from these circumstances. If necessary, the promoter retains the right to instruct the exhibitor and horse to leave the premises.

Upon entry, every exhibitor,owner and all other participants accept the facility and the show grounds (including, but not limited to, the arena, barns, stalls and alleyways where the show is being conducted) on an "as is" basis and agree to be solely responsible for property damage or personal injury caused by third parties to the exhibitor, participant or owner, his/her property or staff, and/or caused by himself/herself, his/her participating horses, riders, participants or owners, representatives, agents and employees occurring in conjunction with this show; and further agree to indemnify and hold FEQHA harmless from any and all such liability, whenever or however, arising, not caused by FEQHA's own negligence or that of FEQHA's representatives, agents or employees.

### 4. Insurance and health requirements

Each horse must have liability insurance, be free from contagious disease and come from a stable free of contagious disease. The horse must be vaccinated against influenza. The equinepassport as well as the certificate of vaccination must accompany the horse and must be shown at the show office upon request (cf. 3. On-Site Check-In Information).

### 5. Clipping and equipment

**According to the veterinary regulations of the veterinary office Amberg-Sulzbach; clipped horses, especially those that have been clipped around their eyes, muzzles and nostrils and in their ears, are to be suspended from the show.**

### 6. Doping controls

The EC committee, consisting of two FEQHA officers and the show manager, shall arbitrarily choose classes and within them the places to be tested. The testing procedure will also be determined by the EC committee. By submitting the entry form, riders, exhibitors and horse owners agree to their horses being tested for drugs and/or medication by the taking of a blood and/or urine sample. All "FEQHA Doping and Medication Policy" standards will apply. Tests will be performed in accordance with the current FEI list of prohibited substances. The EC committee will make a decision on each individual case if a medication will be accepted (medication sheet).

In case of violations, horse owners, exhibitors and horses will be disqualified from the entire event. By submitting the entry form, the horse owner/participant agrees to bear all costs of the doping test in case of a positive result and to return any titles, awards and prize money as well as to accept all consequences and sanctions imposed by the FEQHA Executive Committee (bans, fines, etc.).

By signature (of Exhibitor or Owner) and submission of the entry form, Exhibitor and Owner accept the rules of No. 12 (The post Testing Action and Communication Steps. The Potential Step 3) of "FEQHA Doping and Medication Policy" instead of judicial proceedings.

### 7. Insurance and other regulations

Each horse must have liability insurance. Each horse owner and exhibitor at assignment of entry, each companion and visitor when entering the show area agrees to the directives and instructions of the organizer and agrees to the regulations of the "AQHA Official Handbook" and the "FEQHA European Championship Show Rules". There is no contractual relationship between the promoter on the one hand and the visitors, competitors, exhibitors and owners on the other hand. Liability for theft and injury of persons or animals is excluded. Especially participants are not assistants in the sense of § 278 and §831 German Civil Code (BGB). Each horse owner and participant submits with depositing the entry form and each escort and visitor submits by entering the show grounds, to the instructions of the promoter and the show management as well as to the rules and regulations of AQHA and FEQHA.

### 8. Refunds

## 9. European Champion Title Award

The European Champions in Youth, Amateur and Open classes will be determined in the finals which will be reached through qualifications. These qualifications are performed in 6 AQHA shows (referred to as "go-rounds") and held at the same location during the time scheduled for the European Championships. In Halter, Working Cowhorse and Cutting classes, no finals will take place and the European Champions are awarded by adding the points from the placings (see § 10 for calculation key) or scores of all six shows. In all Halter classes with less than three exhibitors in the first show no European Champion title will be awarded. In all Performance classes with less than five exhibitors in the first show no final will take place and there will be no European Champion title awarded. To reach the finals, a horse/exhibitor combination has to start in all six shows. In the Green classes, there will be no European Champion title awarded.

## 10. Points in placed classes

In all non-scored classes, points are awarded according to the placings (AQHA World Show point system)

15-19 exhibitors:	10 finalists
9-14 exhibitors:	8 finalists
5-8 exhibitors:	all exhibitors reach the finals

## 12. Judging of the finals

A minimum of five (5) judges will judge all classes. Judges will score and place each class independently and will place through fifteen (15) places. Their individual score sheets or placing cards will be given to the European Championship show management for tabulation. The highest and the lowest score or placing will be deleted and placing shall be determined by combining the remaining three scores or points.

## 13. Tie procedures

### a. Placed Events

All ties in non-scored events will be broken by totaling the points of all judges. If the ties still cannot be broken, a tie-breaker judge will decide. Judge number 1 is the first tie-breaker; if judge number 1 did not place any of the tied horses, judge number 2 becomes the tie-breaker judge; if judge number 2 did not place any of the tied horses, then judge number 3 will become the tie-breaker judge, etc., until a judge is found who placed at least one of the tied horses. This judge's placing will be used to break the tie. The order of the tie-breaker judges will be defined by the show management and published to the exhibitors. In case the tie cannot be broken by any of the tie-breaker judges the tie will remain unbroken.

### b. Scored Events

If there is a tie within one of the three first places, the tie will be worked off until there is a winner. All other ties will be broken by totaling the scores of all judges. If the horses are still tied, then ties will be broken by the tie-breaker judge. Judge number 1 is the first tie-breaker. If judge number 1 scored the tied horses alike, then judge number 2 becomes the tie-breaker. If judge number 2 scored the tied horses alike, then judge number 3 becomes the tie breaker etc., until a judge is found who did not score the tied horses alike. The order of the tie-breaker judges will be defined by the show management and published to the exhibitors. In case the tie cannot be broken by any tie-breaker judge the tie will remain unbroken.

### c. Timed Events

If there is a tie in one of the three first places, the tie will be run off until there is a winner. In case of electronic timer malfunction, re-runs may be required as directed by show management and their decision shall be final.

## 14. All-Around Champion

In the Youth, Amateur and Open classes an All-Around Champion will be awarded separately for each of the six AQHA shows.

## 15. Cutting Rules

- Each cutting class shall have a new group of cattle.
- The deadline for entries in cutting classes may differ from the deadline fixed by the show management for other classes.
- Competitors who submitted their entry for cutting classes in time will be guaranteed fresh cattle to cut. This guarantee does not apply to late entries.
- Cattle that were used in cutting may be re-used in Working Cow classes.

## 16. Youth class divisions

The Youth classes will be divided into „13 & Under“ and „14-18“ as long as there are five or more entries in each division on the day of the entry deadline.

## 17. Longe Line

The Longe Line class will be held for 2 yearold horses only and judged according to the rules and regulations of NSBA USA. **Please note that each exhibitor can only show one horse in this class.**
